

NAVIONE

Power Your Journey

THE NEW YAMAHA NAVIONE Power Assist System

LET THE JOURNEY BEGIN

Yamaha's innovative power assist wheelchair system provides more confidence for riders to explore the world around them.

SMART CONTROL SYSTEM

Yamaha's Smart Control System allows for control of all components as a single system

BATTERY RANGE

Travel longer and farther with a power system that provides **12.5** miles for nickel batteries and **22** miles for lithium batteries

INTUITIVE AGILITY

Wheel-to-wheel communication allows for more precise control and operation, including riders with uneven arm strength

SLEEK STYLE

High quality performance tires compliment a modern design that allow chairs to retain their appearance

CONFIDENCE FIRST

Built-in features include: rollback prevention, downhill speed control, uphill ascent assist, and side slope stability control

PERSONAL ASSISTANCE

Use can reduce average heart rate and oxygen consumption while providing energy to effectively propel
